Neotame Application in Beverages

Reduced sugar and No Sugar products are the main trends in the Beverage industry today. Less Sugar also does not mean Less Taste. Neotame addresses these trends without having to compromise on Health, Quality, or Taste.

The Major Applications are as under :

- Carbonated Beverages (Alcoholic / Non Alcoholic Drinks)
- Coffee & Tea Beverages & Water
- Hot Chocolate & Shakes
- Juices & Juice Drinks
- Slushes, Syrups & Concentrates
- Powder Soft Drinks (PSDs)

Carbonated Beverages
